

PATHWAYS

to Community Living

What is Pathways to Community Living?

Pathways (Money Follows the Person) transitions interested and qualified Oklahomans from a nursing home or rehabilitation center back into the community of their choice. Pathways also helps establish sustainable and culturally appropriate long-term services and supports in tribal communities.

Tribal Benefits

- Promotes government-to-government relationships
- Enhances tribal infrastructure
- Increases access to needed long-term services
- Addresses disparities
- Supports effective tribal programs
- Maximizes fiscal resources

Our Mission

To provide states and tribal partners with the opportunity to create and implement tribally sustainable home and community-based long-term services and supports systems.

Goals

- Expand the leadership role of tribes in the creation, implementation and operation of Medicaid-funded programs tailored for tribal members
- Transition eligible and interested tribal members from inpatient institutional settings back into their homes or communities
